Qualitative comments

2.1 Here you can write constructive comments for the teaching assistant.

(You have the opportunity to comment on, e.g.,:

What went well? Why?

What changes would you suggest that might improve the course?)

- *By far the most helpful TA I had during my bachelor studies. Knows his stuff on his expertise and is very willing to help, even goes above and beyond to help when he is not obligated to.*
- *He's very dedicated and helpful. He explains things in an easy to understand way.*
